Questions for round 2:

Tea: You're out of teabags! You MUST go to the shops if you're going to get a cuppa, but your talkative neighbour might spot you - grab a disguise so you can get home quick!

Fish: Don't ask me why your fishtank shattered, there's no time! Grab a vessel to rescue your prized fish, then tell us why it's the best thing for the job.

Zombie: Oh no, you left the door open! A zombie got in! Grab something to defend your domain from the slaving undead.
